Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.People say my grandmother is a slut. No, but you decide for yourself. These are her words. Yes, he was a young guy. I was older than his mother. But sex with him made me feel young, like a schoolgirl. I let him do anything he wanted with my body. He even wanted what they call a facial. He masturbated on my face and in my mouth. I never! But that is what kids do nowadays! He wanted to play kinky sex games with me. My daughter said kinky was fun. Forbidden Fruit is Sweet, as they say. And I did like to excite him. I let him use me, defile my body. I was older than his mother. I was past the point of setting limits! Erotica: all individuals are unrelated adults.
