Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, The Shift: Taking Your Life from Ambition to Meaning, Wayne Dyer, Self-help master Wayne W. Dyer reveals the key change that transforms our lives and how to realise it. "The Shift" represents the major transition that takes place in every person's life. It is a shift away from being dominated by ego, accumulations, achievements and approval - to feeling purposeful and meaningful every day. As you read, you'll find that you are less caught up in the material world and that you are more inclined to connect with your true spiritual essence. Each chapter in this fascinating book concludes with ways to incorporate this material into your daily life. The powerful move away from the ego constructs that we're taught early in life by parents and society - which promote achievement and accumulation - are shown in contrast to a life of meaning, focused on serving and giving back. With "The Shift", you'll learn that living life for others means living life for yourself.
