As the subject is Istanbul, I have added a number of photographs of a documentary character to the photographs selected from my exhibitions. I have attempted to collect images of a vanished or vanishing way of life," says Ara Guler in the preface of A Photographical Sketch on Lost Istanbul. And he adds: "I believe that photography is a form of magic by means of which a moment of experience is seized for transmission to future generations." Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
