Peter Meredith, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s been twelve years since the undead hordes swept over the earth forcing mankind to the brink of extinction. We now live like rats, scavenging in the ruins of our fallen civilization as the dead hunt us night and day. There is little left to scavenge, however. Grocery stores were emptied ages ago, gas tanks have long been dry and bullets are so precious that a man is lucky to have two to his name. Still, we survive. But for how much longer? Instinct and love have combined to turn Darwin s theory on its head. The strongest didn t survive in this world. They were the first to die, leaving behind a generation of orphans. It s a generation that s never had a full belly. It s a generation that has no idea what an Xbox did, or what algebra is for. It s a generation of children who never laugh out loud, and who have learned to cry softly because the dead are always near and the dead are always so very, very hungry.
