Wipf Stock Publishers, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Integrating counseling--theory and practice--with the biblical revelation has now been attempted many times and with considerable success. He was formerly Lecturer in Psychology at the University of New South Wales, Senior Lecturer in Education, University of Sydney, and Warden, Morling Theological College, where he lectured in twentieth-century theology. In 2010, he was a recipient of the award, Member of the Order of Australia (AM), for his contributions to Religious Education and to the work of...
