Brand New Book ***** Print on Demand *****.If ya ve been trackin us, ya know we left some of the Ottoman Empire treasures behind us when we was last in the Mediterranean Sea. We re goin back after them. Ya also know we lost a soldier when we was there the first time so we prepared ourselves with the best firepower in the world this time. Before we could get over there though we found Eddie McGrath was after our treasures agin. This time he was goin to use Aunt Margaret to get at us. We was in to a desperate race to get to her before that snivelin low life could. I think ever pirate on the Mediterranean Sea was waitin fer us this time around. The word got out ahead of us that we was comin and they was prepared. On top of that it looked like ever train robber in France was out to get us too. The search fer the treasures this time nearly killed us. Those hidin it set up booby traps. It was a good thing we had Colombo with us because he s good at pullin our fat out of the fire.
