The Abused Werewolf Rescue Group (Paperback)

By Catherine Jinks

Hachette Children s Group, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. A werewolf? I kept stumbling over that word; it made no sense to me. How could I be a werewolf? Werewolves didn t exist. When Tobias Vandevelde wakes up in hospital with no memory of the night before, he is told that he was found unconscious. In a zoo pen. The doctor rules out epilepsy and Toby s prank-loving friends are just as freaked out as he is. Then the wild-eyed Reuben turns up talking in hushed tones about Toby being a werewolf. Reuben s pale, insomniac friends seem equally convinced and offer to chain him up every full moon. They also claim to be part of some sort of vampire support group. This has to be a joke - right? It s only when he s kidnapped, imprisoned and in desperate need of rescuing that Toby begins to believe them.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
