Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written by an experienced photography instructor, this book tackles the misconceptions and confusion often expressed by new DSLR camera owners. While no one book can cover all makes and models, common icons and terminology are highlighted and explained throughout. The reader is prompted to take the camera out of Auto mode and explore the Creative Modes in order to take control of their image-making. Exercises throughout the book provide practice in real scenarios. In addition to camera functional descriptions, composition and lighting tips are covered. How-to instruction is also provided for panoramic and high dynamic range (HDR) photography. A Glossary of Terms and a comprehensive Index at the back of the book aid in understanding and location of topics in the book. A Quick Solution Guide is also located there to summarize scenarios and the camera settings suggested to remedy them.
