Thistle Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. SHE PUT THE SEX INTO SEXAGENARIAN! Monica Porter, a sixty-year-old grandmother, thinks her sex life is over when she is ditched by her long-term partner. But then she joins a dating website, and finds that her age acts as an aphrodisiac to hordes of highly-sexed young men, who fantasise about hot older women . Monica throws caution to the wind, as she embarks on one exciting assignation after the other, having the wildest time of her life. Naturally her sons would be horrified at the risks she takes, not to mention mortified by her escapades with men younger than themselves. But it s not a problem, as she has no intention of telling them. But there is another hazard to consider. not to her physical being, but to her psyche. Gradually her year of dating dangerously affects her entire outlook on relationships with men, and not in a good way. How will it all end? And will it have been worth the price? Witty, funny and full of thoughtful observations about sex and relationships, Monica Porter s yummy grand-mummy memoir is the first of its kind. Some readers may be shocked by Monica s lifestyle, but most will cheer her gung-ho spirit, and secretly envy her hit rate with London s cool young dudes!.
