Brand New Book ***** Print on Demand *****.Blends to Win Gold Standard is a step up in literacy enhancement. Blends to Win Gold is a book geared to increase reading potential by going beyond the basics of phonics instruction. Blends uses visuals prompts to enable learners to internalize and recall words. Common core curricula emphasizes the need for students to learn affixes for decoding word meanings. Blends to Win provides teachers and students with an introductory gateway into those skills. This material was developed for use with special needs students and has shown itself to be effective. Blends to Win Gold is an update and amendment to the Blends to Win Basic and Advanced literacy books. Fluency development, synonyms, decoding, prefixes, suffixes, and digraphs are components of the Blends reading plan. Great tool for ESL and dialect practices.
