And some Mexican refugees as well as Americans who have lived in Mexico sit about in New York and elsewhere and calmly tell you: lntervention will be welcomed; there will not be much resistance; it will be over soon, because the people will be well fed, and Thus runs superficial opinion, but no one can really think that way who has penetrated the Mexican character--not the refugee class which is in the United States to-day and wants to conserve its Mexican properties, thinking an American occupation will prevent confiscation by the radical revolutionists now in power--but the rank and file of the Mexican people. They talk about intervention here, abstractly and academically. lt is, of course, always impending--a possibility. Most of the foreigners have blown it through thousands of smoke-rings until they believe in its inevitableness just as they believe in the cycle of seasons. They think it will help them, that an American occupation will mean freedom 0r operation and the same privileges they used to have under Diaz. But they nt: mistaken.
