Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

SIMON SCHUSTER, United States, 2011. Hardback. Condition: New. Emily Gravett (illustrator). Language: English . Brand New Book. Chameleon can turn himself into anything and appear to fit in anywhere, but it seems that neither the swirly snail, the green grasshopper nor the striped sock want to be friends. Will he ever find someone to talk to? Someone just like him? With a subtle and witty interplay between words and illustrations this introduction to colors and shapes (and chameleons!) is sure to delight kids of all ages.
