Smith is a cultural genius. --STEPHEN KINGDESCRIPTION: In Christopher Smiths international best-seller BULLIED, the relentlessly bullied 18-year-old Seth Moore is gifted an amulet that ignites within him a wealth of supernatural powers. If Seth uses the amulet properly, it will protect him from those determined to crush him. But after so many years of being beaten down and humiliated, the question is whether Seth can resist creating a firestorm of horror when the bullies around him create one fatal, awful act that begs for revenge. Its a war that could mean the death of Seths friends--and even Seth himself.
