About Writing While Female or Black or Gay: An immensely helpful, illuminating, and invaluable resource for writers and readers that speaks truth to power in the publishing industry. Writers know how to write a book or are well on their way to learning how to write a novel. They strive daily to improve their narrative writing skills and their abilities writing poetry and with story writing. In their quest to succeed, they have attended writing workshops, networked with other writers, and possibly even attended residency programs as an author. Learning how to write is only part of the process, no matter whether you are a career book writer, participating in NaNoWriMo every November, or wondering what habits serve an aspiring writer best. Writers can graduate from a master class, know...
