AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book was written in response to questions that I get from various people of many different denominations. Many people today claim to be too busy to do any serious studying of scripture. My response is we have to, at some point, make time. The collection of essays in this book, hopefully, will shed some light, and answer some of your questions. I was literally stunned by some of the beliefs I was hearing from different christians I had the opportunity to hold discussions with. As Paul told Timothy, and others, it is absolutely imperative that we safeguard the gospel from corruption. Is your Church safeguarding the Gospel?.
