Perhaps someone you know can feel and see other worldly entities? Look around you.do you remember a moment when you heard a screeching sound from the attic? Or maybe your chairs move without your assistance. When the lights flicker and the wind is chilling, you may consider the possibility that you aren t alone? The cases included in this book vary: from a whole family being haunted, haunted houses, scary roads, and haunted asylums. It is proof enough that paranormal events can take place anywhere, and an ordinary person can be a victim of ghostly encounters.
