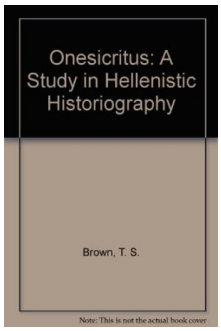
ONESICRITUS: A STUDY IN HELLENISTIC HISTORIOGRAPHY.



ARE. Soft Cover. Book Condition: New. Excellent New Book. While none of the writers who accompanied Alexander survives complete, Onesicritus is perhaps the most tantalizing of them all. He describes the voyage back from India to Babylon; in this he had played a part, second only to that of Nearchus. T. S. Brown's effort to reconstruct the work from the few existing fragments and to examine its influence on the later historians is a classic of Hellenistic historiography. 196 pages.

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
