By MD Ph D Rahul M Jindal

iUniverse, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first part of the book gives practical aspects of performing seva in the USA, India and Guyana, South America. I give case histories from my own experience and how I navigated the turbulent waters to deliver what we set out to accomplish. I hope that our team s work will motivate others to understand the difficulties and find solutions to fulfilling the goal of seva. At the end, we could not achieve anything without the help of dedicated team members many of whom gave up their vacations and willingly gave their money and energy to make a difference. The second part of the book examined 5 case studies of our work dealing with kidney and corneal transplants in Guyana, blood and bone marrow drives in the USA under the auspices of the Hindu Mandir Executive Committee, distance learning in the UK and the Global Energy Parliament, Kerala, India. The third part of the book gives cautionary lessons in managing seva projects across the world. The fourth part of the book gives theoretical aspects of seva, which include social networks in management of complex missionary...
