Queer Mojo, United States, 2012. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Star Bryan, 30, handsome, lonely, lost for years in a bad romance. Newly on his own, his quest for identity takes him on a journey through his mind and his past-carved spirits in the gift department at T.J. Maxx, an old crate in his father s attic, a long-hidden diary that casts his family on the wrong side of slavery. And the far-off glitter of a pro basketball career that never happened. He falls in love with the wrong man, then the wrong man falls for him. They re not the same man. Both are jealous-one is dangerous. Born into a high-profile political family, Star finds himself in a web of racial bickering in turn of the 21st Century St. Louis, where both black and white society often balk at those who can move easily between the two-and where being aggressively out of the closet can land him in trouble. Star s imposing body, looks and raw sexual glamour cast him in the eyes of many as a man who can get whatever he wants out of life. Taking it for himself becomes much harder than it seems.
