After a taboo love affair and almost ten years spent apart, Sylvia and her billionaire stepbrother Michael are in for one hell of a family reunion. Sylvia spent the long lonely years of her adolescence despising her mother, due to the fact that she left her father to run off and marry a billionaire playboy, the wealthy entrepreneur Richard McComb. There was one person that helped her through those many seething years, though- her strong, handsome stepbrother Michael, who seemed almost as disgusted by and contemptuous of the relationship as Sylvia was. The two of them grow remarkably close as time goes by, until a family vacation to a tropical island at age eighteen culminates in the two of them sharing a wild moment of passion in the sand, its taboo pleasures sabotaging their relationship for almost a decade. Now Sylvia wonders, ten years later, as she nears toward her childhood home and the fully adult Michael, whether things between them can ever be the same. This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. WARNING: Content suitable for mature readers, contains sexual content and harsh language.
