### **Reviews**

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## VENCEREMOS: VICTOR JARA AND THE NEW CHILEAN SONG MOVEMENT

PM Press, United States, 2014. Paperback. Book Condition: New. 210 x 132 mm. Language: English . Brand New Book. When socialist Salvador Allende won Chile's presidential election in 1970, a powerful cultural movement accompanied him to power. As the CIA actively funded opposition against Allende, the New Chilean Song Movement rose to prominence, persuading voters with its music. A short cultural history, this title charts the movement from Allende's victorious campaign to the brutal American-backed military coup in 1973, which overthrew Allende and imposed dictator Augusto Pinochet.
