Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

HarperCollins Publishers, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The Nobel Prize-winner Doris Lessing s first novel is a taut and tragic portrayal of a crumbling marriage, set in South Africa during the years of Arpartheid.Set in Rhodesia, `The Grass is Singing tells the story of Dick Turner, a failed white farmer and his wife, Mary, a town girl who hates the bush and viciously abuses the black South Africans who work on their farm. But after many years, trapped by poverty, sapped by the heat of their tiny house, the lonely and frightened Mary turns to Moses, the black cook, for kindness and understanding.A masterpiece of realism, `The Grass is Singing is a superb evocation of Africa s majestic beauty, an intense psychological portrait of lives in confusion and, most of all, a fearless exploration of the ideology of white supremacy.
