

Biafra: The Nigerian Civil War 1967-1970 (Paperback)

By Peter Baxter

Helion Company, United Kingdom, 2014. Paperback. Condition: New. New. Language: English . Brand New Book. Nigeria was a unique concept in the formation of modern Africa. It began life as a highly lucrative if climatically challenging holding of the Royal Niger Company, a British Chartered Company under the control of Victorian capitalist Sir George Taubman Goldie. It was handed over to indigenous rule in 1960 with the best of intentions and a profound hope on the part of the British Crown that it would become the poster child of successful political transition in Africa. It did not. One of the signature failures of imperial strategists at the turn of the 19th century was to take little if any account of the traditional demographics of the territories and societies that were subdivided, and often joined together, into spheres of foreign influence, later evolving into colonies, and finally into nation states. Many of the signature crises in post-colonial Africa have owed their origins to this very phenomenon: incompatible and mutually antagonistic tribal and ethnic groupings forced to cohabit within the indivisible precincts of political geography. Congo, Rwanda/Burundi, Sudan and many others have suffered ongoing attrition within their borders as historic enmities surge...
