I Want to Be a Scientist (Paperback)

By Dan Liebman

FIREFLY BOOKS LTD, Canada, 2016. Paperback. Condition: New. Language: English . Brand New Book. Some scientists study plants. Others study the stars. And others study the oceans. This book explains what different scientists do and what they need to know. Photographs show scientists exploring the world around them. With full-color, full-page photographs throughout plus straightforward and engaging text, the I Want to Be . series is an appealing introduction to a broad spectrum of occupations. The series gives young children a realistic insight into the working day of adults. Easy-to-read captions and color photographs of women and men from different cultures help children understand what s involved in each occupation. Young readers learn to respect the importance of doing a job well and appreciate the contributions these workers make to our life and the world around us. These books are perfect for reading alone or in group story times. They are certain to spark questions and encourage dialogue and prompt children to learn more about these occupations.
