## Complete Guide to Preserving Your Own Seeds for Your Garden: Everything You Need to Know Explained Simply (Paperback)

By Katharine Murphy

Atlantic Publishing Co, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Seeds are the essence of life on earth, providing the genetic information needed for every plant we currently use for growing food, harvesting for clothing, and creating homes and furniture with. For the everyday person they are vital for the creation of gardens and plant life, while for others they represent the future of the earth as in the case of the Doomsday Seed Vault in Norway which opened in March 2008 with the intention of housing more than 3 million seed samples from around the world. While you will never need to store three million seed samples, you may need to preserve a handful for next year s growing season. Which is why this book was developed to help any individual who is seeking to start preserving their own seeds for future use and growing. You will learn everything you need to know to effectively grow and preserve seeds, starting with process of sowing the seeds at the very start. From there you will learn how to seed the plants until they bloom and how to select plants for harvesting and saving seeds. The...
