By Tom Williams, Dave Housley, Ben Tanzer

Cobalt Press, United States, 2014. Paperback. Book Condition: New. 203 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A collection of flash fiction (Tanzer), bookend short stories (Williams), a novella (Housley), and poetry written from father to daughter (Pawelek), *Four Fathers* is a hard-hitting definitive work that seeks to uncover what it takes to be a parent. These subjects are not easy, and through these introspective fathers, often agonized by the daily tensions of care-taking, we come to appreciate our own experiences more fully, or, at least prepare ourselves for what may lie ahead. *Four Fathers*, and each of its authors, delivers fatherhood in a multitude of thought-provoking, heartfelt ways: from Tom Williams pair of long short stories which define a man by who he is as a son in relation to his father, and who he is as a father in relation to his son; to BL Pawelek s poetry, dedicated to his daughter, Abbey Road. Then you have Ben Tanzer s flash fiction pieces, which all seem to reflect up on the idea of I m a dad.what the heck do I do now? and Dave Housley s novella begging the Osbornesque question...
