

Face to Face with Whales

By Flip Nicklin

National Geographic Kids. Paperback. Book Condition: new. BRAND NEW, Face to Face with Whales, Flip Nicklin, Flip Nicklin is widely considered one of the foremost dolphin and whale photographers in the world, and he has contributed to 20 National Geographic Magazine articles. In "Face to Face with Whales", with the help of his wife and partner, Linda Nicklin, he shares his exciting underwater adventures and his vast knowledge of the whale's watery domain. Learn about the many different kinds of whales, from humpbacks to belugas, and discover that whales are mammals who breathe air and give birth to one live baby that they nurse with milk. See what makes these enormous creatures so majestic and catch a glimpse into their largely secret and unknown world. What we know and think about these intelligent creatures can affect their ultimate survival, even as they continue to bounce back from years of overhunting from the historic whaling industry. As Flip notes, there is a lot we don't know about these intelligent social animals. He firmly believes it has been and will continue to be a lot of fun to find out the rest of the story. Fun sidebars offer concrete insight into whale...

Reviews

If you need to adding benefit, a must buy book. It really is writer in straightforward words and phrases and not confusing. You will not feel monotony at anytime of your respective time (that's what catalogues are for concerning if you ask me).

-- Dr. Celestino Treutel

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
