Titletown Publishing, LLC, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Longing to return to beer halls and boys, a teenager gives birth to a daughter during the Great Depression but shows the ultimate lack of maternal instinct when her baby is discovered to be missing. Though she claims that a nurse abducted the newborn, the infant, and the anonymous nurse are never seen again. In Minneapolis, Lorene Hermanson is raised on discipline and Christian morality. But as a young married woman, Lorene s life collides with that of the missing baby when she learns her mother s secret: thirty years earlier, her mother saved Lorene from teenagers and a wealthy family who were determined to drown the baby. Heartbroken to learn her own birth story, Lorene struggles with the reality. The true story of one woman s anguish learning that life isn t what it appears to be, Sleep With Angels is a lifelong journey about the true beauty of maternal love, holding onto faith and the precious gift of life. It is a rare cross between true crime and inspiration.
