But her aunt's feud with the emperor lands Sasha at university, where she becomes one of its first female students - an experiment, she suspects, designed more to prove female unsuitability for such pursuits than offer them education. The pressure intensifies when Sasha's only friends - Chinese students - start disappearing, and she begins to realize that her new British companion, Jack, has bigger secrets than she can imagine! Sasha and Jack find themselves trying to stop a war brewing between the three empires. The only place they can turn to for help is the Heavenly Kingdom of Great Peace, newly founded by the Taiping rebels.
