

## Shell Middens in Atlantic Europe (Paperback)

By Oliver E. Craig, G. N. Bailey

Oxbow Books, United Kingdom, 2007. Paperback. Condition: New. New. Language: English . Brand New Book. The archaeological investigation of shell middens has a long and rich history. By the mid 1830s, the presence of artefacts found with large accumulations of shell along the Danish coast had successfully demonstrated that these sites were the result of human activity rather than natural processes. At about the same time in other parts of Europe, shell middens were also being discovered and written about - a process which continued throughout Europe as time went on. Until recently, European Atlantic shell middens attracted only sporadic interest from archaeologists and scientists. However, there has been a notable resurgence in the excavations of shell middens over the last few decades which has been accompanied by the development of a range of new scientific methods applicable to shells and other midden components. There now exists a sizeable amount of information on shell middens, their variability and insights that they have revealed through scientific investigation. A workshop was organised in September 2005 in the Department of Archaeology, University of York, which brought together colleagues working on shell middens along the Atlantic facade of Europe. The aims were to discuss...

### Reviews

*This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogs are for relating to in the event you ask me).*

-- **Mr. Edison Roberts IV**

*Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.*

-- **Alda Barton**
