GRIN Verlag Aug 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x5 mm. This item is printed on demand - Print on Demand Neuware - Master's Thesis from the year 2002 in the subject Politics - International Politics - Topic: European Union, grade: B+ (12 von 15 Punkten), University of Sussex, 100 entries in the bibliography, language: English, abstract: The dissertation will focus on the Convention on the Future of Europe which was launched in March 2002 and which is operating the task to prepare the next Intergovernmental Conference (IGC) in 2004. Main issues on the Convention's working plan are a draft constitution and the preparation of EU institutions for the enlargement. Given that the Convention has started its work in March 2002 and will approximately end in Spring / Summer 2003, its work is still in progress. That is why it would be difficult to write on the outcome and either predict or judge its success. That is why the focus lies on the procedural arrangements within the Convention Method and explicitly not on its content. Therefore the dissertation will deal, in general, with the negotiation process. In detail, the focus will examine the Convention's kind of procedural arrangements,...

This book will be worth getting. Better than never, though I am quite late in starting reading this one. It has been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, alter the way I believe.
