

Accidental Humor and Other Reflections (Paperback)

By Carol Galloway

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Children have a unique gift: the ability to make people laugh without even trying. I refer to this gift as accidental humor. As a teacher for over twenty years I was privileged to be an eyewitness to children s unintentional humor and savored those moments by writing them down. When I asked my second graders to complete some phrases this is what they wrote: What I want most in the world is. Tacos. I am really good at. Running in high heels. I never want to forget. My name. When I was little. I looked good. My favorite time of day is. November. I would rather read than. Get chicken pox. If you have children, work with children or know a child, you will appreciate this light-hearted, humorous, laugh out loud account of their accidental humor.
