This book presents the best practices developed and delivered in my teaching and in my psychology practice. Some of the stories and exercises in this book came from my previous book *Balanced Leadership in Unbalanced Times* (2009). I published some of the stories and exercises as articles on my blog at RobPasick.com. Please visit as I will continue to write there. I wrote this book because not everyone who needs this information is here at the University of Michigan to take my class. While it's nice to have a teacher and coach to help you through the process, you can learn a lot by yourself through reading this book...
