

From Tablet to Table: Where Community Is Found and Identity Is Formed (Hardback)

By Dr Leonard Sweet

NavPress Publishing Group, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Worship Leader magazine has named From Tablet to Table one of the five best books of 2015! What if the Bible were seen less as a tablet of ink than as a table of food? From Tablet to Table invites readers to explore the importance of The Table in biblical theology, and what it might mean for us to bring back the table to our homes, our churches, and our neighborhoods. The table pictures the grace of God's provision for all aspects of our lives, a place of safe gathering, of finding identity in shared stories, of imparting food and faith, of playing host and finding satisfaction as a guest. Sweet explores how our failure to understand and appreciate the most sacred item of furniture in every home has created such a deficit in our fast-food, take-what-you-like-smorgasbord, together-but-separate society.
