Schwartz of New York (Paperback)

By Robert Spevakow

Litfire Publishing, LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have always asked myself the question, Is there a GOD or SOURCE in our Universe who loves and protects us humans on the planet earth. The construction of our bodies must have been a very complicated process. This DNA builder is probably beyond our thoughts and imagination. This process would also apply to the thousands of animals, birds and insects who live with us on this planet. This God force must love us as he went to a lot of work to create us. If this is true, the question persists, what is Evil and why do bad experiences happen to innocent people? I am trying to answer part of that in this book. This GOD or SOURCE has sent us many Avatars over the past 2500 years with special powers. We were supposed to be impressed by these powers and follow the spiritual Avatars blindly. These Saviours each attracted their own followers. Unfortunately the Christians, Jews and Muslim religions became very strong and did not respect any other religions. There have been dozens of religious wars over the past two...

Reviews

The best publication i actually study. It is probably the most awesome ebook i actually have study. You are going to like the way the article writer publish this publication.

-- Ms. Harmony Simonis I

This publication will not be easy to get going on reading but really exciting to read through. it was writtern really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.
