

Tupac Shakur (Paperback)

By Wayne A. Anderson

Facts on File Inc, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Tupac Shakur spent much of his brief 25 years living in tough inner-city neighborhoods in New York, Maryland, and California. A pensive, artistic youth, Tupac burst onto the hip-hop scene in the 1990s and became one of rap music s most popular and volatile figures thanks to his highly charged lyrics and seemingly endless legal troubles. To his critics, Tupac symbolized the evils of gangsta rap and its glorification of violence. His fans, however, saw him as a thought-provoking hip-hop intellectual who unflinchingly articulated the plight of millions of disaffected inner-city youths. Shot to death in 1996 under still-unsolved circumstances, Tupac s career lasted a scant half-decade, but his iconic stature continues to prosper with each passing year. Brimming with evocative full-color photographs, revealing text, and insightful sidebars and other features, Tupac Shakur provides a powerful examination of the life, legacy, and impact of the best-selling rapper of all time.

Reviews

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.

-- **Nathanael Treutel**

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.
