RECOGNIZING GOD

DOWNLOAD

Higher Consciousness Books, 1997. Soft cover. Condition: New. Each of these Teachings by the Spiritual Master/Shaman contains a key phrase that ticks away inside the reader until there is a full-blown realization of a nature and identity of God or the Void. In Recognizing God, Winged Wolf speaks to her advanced apprentices and transmits to them, and to us, the ancient oral teachings from the Void, undiluted, unedited and without interpretation. This is the wisdom that lies at the heart of all the great religions, yet this is not a book about religion. Through these primordial teachings Winged Wolf calls to us to integrate every aspect of our lives and gives us practical advice on how to do it. This is a spirituality that is lived in every segment of one's life, not just framed and left hanging on the wall. We are called to look at ourselves with honesty and clarity and to let go of anything that separates us from what we really want in our lives, from discovering our true natures. The power of Winged Wolf's spoken word radiates off the pages and fills us with a deep and blissful connection with the wisdom of these teachings. We sit in awed silence and know that herein lies the fulfillment that we have been seeking for so long. With her words Winged Wolf blasts open the doors of the resistance that has thus far kept us from opening to the knowing. We look deeply into the primordial Source and want more. We recognize the reality of the God-self within.
