Porsche: The Classic Air-Cooled Era

By Dennis Adler

Motorbooks. Hardcover. Condition: New. Porsche: The Classic Air-Cooled Era offers something for all Stuttgart enthusiasts and those interested in automotive history. There are few automobiles in the world as iconic as Porsches air-cooled sports cars. For nearly 50 years Porsches rear-engine wonders set the benchmark for production sports cars and dominated the worlds race courses. From the first Gmund coupe, to the 356 to the timeless 911, this richly illustrated volume tells the full story of Germanys fabled air-cooled sports cars. Automotive writer and photographer Dennis Adler begins the books with the early career of Ferdiand Porsche, detailing the influences and events that set him on the path of automotive-engineering greatness including key stints with Mercedes-Benz, Auto Union, and Volkswagen. From there he details Porsches WWII work before moving into the postwar era and the establishment of Porsche as a unique automotive brand. Adlers engaging text is accompanied throughout by rare images from Porsches historic archive as well as stunning contemporary photos of all the great cars including 356 Carrera, 550 Speedster, 911S, 912, 930 Turbo, 9146 as well as key racers like the 906, 908, and 935. This item ships from multiple locations. Your book may arrive from Roseburg,OR,...
