Is-land is a Gaian paradise in the middle of a blasted world - but its success comes at a dark price. Like every child in Is-Land, all Astra Ordott has ever wanted is to get her Security Shot, do her National Service and defend her Gaian homeland from Non-Lander infiltrators . But when one of her Shelter mothers, the formidable Dr Hokma Blessler, tells her the shot will limit her chances of becoming a scientist and offers her an alternative, Astra agrees to her plan. Then the orphaned Lil arrives to share Astra s home and Astra is torn between jealousy and fascination. Lil s father taught her some alarming ideas about Is-Land and the world, but when she pushes Astra too far, the heartache that results goes far beyond the loss of a friend. If she is to survive, Astra must learn to deal with devastating truths about Is-Land, Non-Land and the secret web of adult relationships that surrounds her . . . or her actions could bring the whole community toppling down.
