## Print Workshop (Paperback)

By Christine Schmidt

Random House USA Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. This is a crash-course on printing with techniques, materials and surfaces that can all be done in the home. Every project features Yellow Owl Workshop's sought-after motifs and the author's art-school style illustrations. This title is full of original ideas for things to make and use, such as jar labels, pillows and a stationary set. Print Workshop grabs readers hand and leads them through a crash-course on printing with techniques, materials and surfaces they never dreamed they could take on at home. It can be as simple as carving a potato or as complex as a chemical bath, but no matter the skill level, these printing techniques never require expensive equipment or lots of space. Everything in this book is easily do-able at home; and every project features Yellow Owl Workshop's sought-after motifs and Christine's art-school style illustrations. The book is full of original ideas for things to make and use. There's jar labels for your canning and pickling needs. There's pillows inspired by YOW's famous city and bicycle stamps. There's everything from a stationary set...

### Reviews

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.*

-- **Kitty Crooks**

*It becomes an remarkable publication that we have at any time study. It is among the most remarkable pdf I have go through. I am just easily can get a satisfaction of reading a published book.*

-- **Alayna Ankunding DVM**
