Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

Penguin Books Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. The (nearly) true confessions of Jamie Kelly. Dear whoever is reading My Dumb Diary Are you sure you re supposed to be reading someone else s diary? Maybe I told you that you could, so that s OK. But if you are Angeline, I did NOT give you permission, so stop it. Dear Dumb Diary, School was OK today. Angeline got her hair tangled up in one of the jillion things she has dangling from her backpack, and the school nurse - who is now one of my main heroes - snipped half a metre of silky blonde hair from the left side of her head, so now Angeline only looks like The Prettiest Girl in the World if you re standing on her right.
