T Ibid. P. 238. I Ibid, p. 242. These arguments when expressed in these general terms seem quite formidable; but they are much stronger in general statement than when one follows the advocates of them through all the references cited by them in support of the theory; for then one is impressed with the very heavy weights which the higher criticism hangs on very slender threads. As before remarked, how ever, I may not go beyond outline treatment of the matter here. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
