Brand New Book ***** Print on Demand *****.Excerpt from A Partial Report on the Geology of Western Texas: Consisting of a General Geological Report and a Journal of Geological Observations Along the Routes Traveled by the Expedition Between Indianola, Texas, and the Valley of the Mimbres, New Mexico, During the Years 1855 and 1856; With an Appendix Giving A D The papers here given to the public consist, first, of A Journal of Geological Observations along the routes traveled by the Expedition between Indianola, on the Gulf of Mexico, and the Valley of the Mim-bres, New Mexico, in 1855 and 56; secondly, A General Geological Report thereon; and, thirdly, an Appendix embodying a detailed report on the Geology of Grayson County. They are from the hitherto unpublished manuscripts of Prof. George G. Shumard, who was Assistant State Geologist at that time to Prof. B. F. Shumard, the Chief of the Geological Survey which had been authorized and ordered by the State, but which was never completed in consequence of the breaking out of the war between the States. These papers were probably intended as notes, or rather as the basis for more careful and elaborate official reports to the Chief Executive of the State, and the Legislature. Although they cover comparatively a very small portion of our Imperial State, they contain a great deal of scientific and what may be called field note information of the highest practical importance, not only to Western Texas, the Prairies and the Great Plains, to which they chiefly refer, but also to the entire State. No friend of Texas can read these somewhat crude but sensible documents without experiencing a feeling of deep regret that they were not...
