

Chromosome 8 (Hardback)

By Peter Holt

Books, United States, 2006. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. When a research submersible becomes the latest in a string of vessels to vanish in a far corner of the South Pacific, biologist Marcus Oden and his geologist friend Nick Kondos mount a rescue attempt. As the entire staff of the tiny Ocean Sciences Institute, the unlikely pair roams the Pacific in a battered surplus seaplane, performing marine science missions. But Marcus is searching for more than hard data; he is also secretly searching for his wife who vanished years before in these same waters. The hunt for the submersible leads to a host of mysterious shipwrecks, to a group of violent Polynesian revolutionaries seeking the return of their traditional gods and culture - complete with long pig, the cannibal name for human meat - and to a menagerie of mysterious creatures that roam and swim around the forgotten island of Tanua. One of these strange denizens is Dr. Gastro Nister, a medical genius who saved his dying daughter Katya with a miracle that could not stand mainland light and so had to be hidden on the lush slopes of a distant tropic isle....
