## Gender Work

By Goodman, R.

Condition: New. Publisher/Verlag: Springer Palgrave Macmillan | Feminism after Neoliberalism | Recently, labor has acquired a re-emergent public relevance. In response, feminist theory urgently needs to reconsider the relationship between labor and gender. This book builds a theoretically-informed politics about changes in the gendered structure of labor by analyzing how the symbolic power of gender is put in the service of neoliberal practices. Goodman traces the cultural contextualization of &quot;women&quot;s work&quot; from its Marxist roots to its current practices. From the income gap to the gendering of industries, Goodman explores and critiques the rise of corporate power under neoliberalism and the ways and whys that femininity has become one of its principle commodities. | 1.
