SPEEDING-UP ARTIFICIAL NEURAL NETWORKS

Stefano Scanzio
Speeding-up Artificial
Neural Networks
A Speech Recognition example

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Speech Recognition example | Classifiers are becoming an important component of today software. The capability of automatic learning from examples is essential in tasks where classification rules are not easily obtainable. Artificial Neural Networks, the main argument of this book, are an important example of classifiers for their versatility and recognition accuracy. To improve their classification performance the easiest way is to enlarge the training databases. Unfortunately, this method leads to...

Reviews

This type of publication is every little thing and got me to seeking in advance and much more. I could possibly comprehend every little thing out of this created e publication. I am happy to explain how this is the finest pdf we have study in my very own life and can be he greatest ebook for actually.

-- **Miss Berenice Weimann Jr.**

This ebook will be worth acquiring. It is actually writer in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Trystan Yundt**

This written ebook is fantastic. It is probably the most incredible ebook we have read. Its been written in an extremely basic way in fact it is just following i finished reading this publication where basically modified me, affect the way i think.
