How does feminist theorising enrich our understanding of International Relations theory?

By Alexander Tutt

GRIN Verlag Gmbh Jul 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2012 in the subject Politics - International Politics - Topic: History of Inernational Relations, grade: 1,3, , course: International Relations Theory, language: English, abstract: In IR theory as in everyday life, women seek to promote a better understanding of their struggle for recognition inside a male-dominated world. The orthodox field of IR theory is broadly faceted, generating space for numerous, more or less practicable approaches. In order to evaluate the impact of feminism on and inside IR theory, the structure of this essay is twofold. First of all, the genesis of feminist theorising has to be examined. Hence, historical, social and political features of the feminist movement are brought into context with the evolvement of several feminist IR theories. Afterwards, a critical view on adequacy of IR feminism is taken, answering the question whether feminism achieved more than simply the addition of sex as a variable , as V. S. Peterson (1992, p.199) provocatively put it. 12 pp. Englisch.

Reviews

This ebook is amazing. I actually have read and i also am certain that i will going to read once more again down the road. I found out this pdf from my dad and i advised this book to discover.

-- ***Isaiah Swaniawski***

Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.
