Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.According to a past Fortune magazine article, more than 75 percent of the 400 wealthiest Americans achieved their riches through business ownership. The rest found their pots of gold in the real estate market, stocks and bonds or inheritance. These statistics suggest where you should invest your money if you ever want genuine financial freedom: invest in yourself! Each year, thousands of men and women between the ages of thirty- five and fifty-five leave corporate America to pursue their entrepreneurial dreams. Some do it for financial independence, others like the tax advantages, while most are simply looking for job security and the freedom to control their own destiny. But freedom has never been achieved without some inherent risk. The trick is to minimize the risk by following a proven path to success. Many potential buyers believe the only reason a business is for sale is due to it being in some financial crisis. Realistically, less than twenty percent of the businesses for sale at any given time are drowning in red ink. The majorities are...
