She never questioned the Post-Apocalyptic Laws of the United States of America and for as long as she could think, she trusted President Pierce. But that was before she knew that he had become the villain in the story of her life. Now Eve's best friend, Theresa Hamilton, is going to be executed during the A-Day celebrations and she knows damn well that it's her fault. There's nothing that she wouldn't do to save her friend, even if that means joining the Godivas, a terror organization that fights for equal rights for women. Little did Eve know that, sometimes, when you fight monsters you risk becoming one. Post-Apocalyptic Laws of the United States of America: "All legislative powers herein shall be vested in the President of the United States of America. He shall never be questioned for he is the alpha and the omega, our rightful leader." "Women shall never speak in public, unless a superior being (man) grants permission. Any violation of..."
