By Phebe Angus G

Notion Press, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Why was Velan trying to amuse Vali? How do the dynamics of love emerge? What is the connection between the planting, the harvest, the coming of age, the lullaby and the lament? Wherefore does the ancient song rise and whither does it go? What hidden mysteries are embedded in the beats of the drum, in the growth of the creepers and in the golden moon glass? As we share the tale that is told and retold - of a song that is sung through the ages - there is something that touches our consciousness. Every breath that is now in print is a captured sign of sighs, woes, anguish, celebration, colours, fragrances, delight and the magical lore of the past. My Golden Moon Glass is a time machine that will help you explore what we have lost and reminisce the presence of the past within our shared consciousness.
